Sports Media Team Mascot Kiosk offers advertisers on-screen graphic, animation, audio, and video, utilizing multiple screens in a stadiums or arenas environment.

The Next Generation interactive Digital Signage, Sports Media enables integration of logos, dynamic animated graphics, text content and video. Advertisers have three touch points to interact with Fans. In addition there is the ability to integrate audio WAV files for sound effects, sound clips or voice-over capability. *Fans Just Can't Resist*

Ad Branding with a Sports Team Mascot Kiosk builds both an email and cell number database while interacting with Sports Fans

- Placed in Professional Sporting Venues
- LED allows full animation or metrics
- Send branded messages to emails and cell phones
- Full-motion video regions and animations
- Play audio WAV files overlaid with incoming audio
- Multiple graphic zones may be independently positioned
- Full video, trivia, mobile marketing
- Photo Distribution - deliver content to sports loyal fans, your audience
- Dynamic broadcast quality effects
- Build an email and cell phone database for future marketing

Sports Media Mascot Kiosk Delivers Big Results

LED Display Board has the capability to offer Advertisers, services like branded live news feeds, sports scores, and weather information in stadiums or arenas.

32" Fully Enclosed Display allows for full audio and video. Advertisers can build a database through text messaging running trivia and interactive games. Along with sending branded messages to cell phones

24' Fully Enclosed Touch Screen Display allows advertisers to yet build another database of email address and send branded messages as customers have their picture taken with a stadium backdrop and sent to their email address or cell phone.

Sports Fans have more ways to interact with Team Mascots, reading the LED message, watching video, interacting with trivia and games, having their picture taken and have that picture emailed or sent to a Sports Fan cell phone. All this interaction deliver branded messages and build a database for future marketing. Call Sports Media today and find out how you can participate.
